2010 PRESIDENTS REPORT

Hello fellow Jersey Breeders,

Well another year has passed, where does the time go. As we get older, the years seem to go by faster. I have had a great year as President, and it is a great honour for me to be able to represent you all throughout the year. It is something that I have a passion for, to promote Pure Jerseys.

I would like to thank the committee for all there help though the year. We had a very successful year. We have gained new members, and have run successful events.

Feature shows in Nanango, QLD, and Numurkah, Victoria were very well supported by members and Jersey Breeders alike.

We also had success with the On Farm Challenges in both QLD and Victoria, with alot of entries for both challenges. The days were a huge success due to the entries and the sponsors, as if we didn't have either of these we could not run these days. As a judge of the Victorian day with Os McDonald, and Harry Adams as our car driver, we got to see some top quality cattle and alot of country.

With being involved in both QLD and Victorian Associations, it was great to see such a effort and support and smooth running of procedures, it was a great privilege to be involved with a great group of people.

It was great to see the involvement from breeders at the rural shows, we need to support these events, to keep the country shows alive.

I would like to thank all breeders for classifying cattle throughout the year, the classifiers for the time they put in to travel and do their job.

And thank you to all the members for their support throughout the year.

I wish you all a safe and Merry Christmas and a prosperous New Year.

Warren Davis
President

Obituary

**Lloyd Ronald Granzien
1934-2010**

Lloyd Ronald Granzien was born at Toogoolawah January 1934 to parents, Herbert & Alvenia Granzien, brother to Hazel (Mrs Vic Dargusch) and Myra (Mrs Col Gregor).

He Attended school at Mt Beppo State School and Toogoolawah Rural School where he learnt the trade of wood and tin work. After finishing his schooling he worked on his parents property at Mt Beppo where he commenced his Pure Bred Jersey Stud known as "Caboonbah".

At the age of 34 years he married Karen Zischke and had two daughters, Sally - Ann and Emma Maree (Deceased).

Lloyd spent a lot of his spare time playing tennis in the Toogoolawah district. He also enjoyed watching sport and spent many nights in front of the TV watching Wimbledon and the Ashes.

Lloyd had a great love for Jersey cattle. He began building up his herd at a very early age. Lloyd had great success exhibiting at regional and royal shows. He showed at the Brisbane Exhibiting for many years and had the satisfaction of winning most points of all breeds and supreme champion dairy cow during his time. Lloyd was always up for a challenge and was very proud when he was able to win Champion Jersey Bull at Melbourne Royal for three consecutive years. Lloyd was a great judge of dairy cattle, judging at many shows as far away as New Zealand.

As time went on his health forced him to retire, he was presented with a life membership of the Pure Jersey Breeders Society was a reward for his contribution to Jersey cattle in Queensland. His display of many ribbons and trophies is a lasting memory of his success.

The last years of his life were spent at Plainland and Karinya Nursing Home where he departed this life on 3rd of September 2010.

Lloyd is survived by his loving wife, Karen, and daughter, Sally.

Seven Hills

Our Lilac family was started with the purchase of Stanal Dukes Lilac VHC at the Stanal Studs dispersal in 1993. She was the top priced 2 year old on the day, but turned out to be a bargain. I was sitting with Jim Smethurst at the auction and if it was not for his support/advice prompting I would have stopped bidding on her and therefore would not have had the pleasure or working with this animal, thanks Jim.

She was our top 2 y/o, top 3y/o etc and by 8 was top of the herd. Her life time average PI was 124. Her only vice was a lack of female progeny, only being the Dam of 2 cows.

Elderly Couple

While on a road trip, an elderly couple stopped at a roadside restaurant for lunch. After finishing their meal, they left the restaurant, and resumed their trip.

When leaving, the elderly woman unknowingly left her glasses on the table, and she didn't miss them until they had been driving for about forty minutes. By then, to add to the aggravation, they had to travel quite a distance before they could find a place to turn around, in order to return to the restaurant to retrieve her glasses.

All the way back, the elderly husband became the classic grouchy old man. He fussed and complained, and scolded his wife relentlessly during the entire return drive. The more he chided her, the more agitated he became. He just wouldn't let up for a single minute.

To her relief, they finally arrived at the restaurant. As the women got out of the car, and hurried inside to retrieve her glasses, the old geezer yelled at her, **While you're in there, you might as well get my hat and the credit card.**

Roses and Hanging Baskets

A teenager granddaughter comes downstairs for her date with this seethrough blouse on and no bra. Her grandmother just pitched a fit, telling her not to dare go out like that!

The teenager tells her, "Loosen up Grams. These are modern times. You gotta let your rose buds show!" And out she goes.

The next day the teenager comes downstairs and the grandmother is sitting there with no top on. The teenager wants to die. She explains to her grandmother that she has friends coming over and that it is just not appropriate.....

The grandmother says; "Loosen up, Sweetie, if you can show off your rosebuds, then I can display my hanging baskets.

A Little Boy's Letter to Santa

Dear Santa, God Bless ya! Y'know, you're my bestest mate, And I send this letter to you to you to try to set the record straight.

See, I been really good all year, and I've tried so very hard, and I always help mum and dad with little jobs around the yard.

But sometimes accidents happen and it's me what gets the blame, So Santa, you must believe me because I need to clear my name.

It wasn't me who burned the haystack down, though they found matches in my pocket, the the hayshed caught fire to the machinery shed and dad's tractor blew up like a rocket. And it cost him heaps for a new one, Coz the insurance company wouldn't pay. They said "we were a bad risk!" After I burned the dairy down, last May! And because I burned the dairy down dad had nowhere to keep the cow, so I let her walk on the road - by herself. She's probably in North Queensland by now!

And Dad used to let me pick up the mail from the mailbox at the end of the lane, but after I lost his wool cheque I wasn't allowd to go there again!

Then one day I thought I'd be real helpful - I'd start the mower and mow the lawn- But that mower's got a mind of it's own, And mum's prize-winning roses got shorn. And, speaking of things with a mind of their own, dad's ute is like that as well, I accidentally started it --in gear --and it shot thru like a bat out of hell! It wiped out the garage, and the outhouse, then up the tankstand it started to climb, and dad got upset because, he was in the outhouse at the time!

So things haven't gone too well, Santa- I've had a very unfortunate year, but I know that you will forgive me, and still bring me some Christmas cheer. So please come to my house, Santa, although you mightn't recognise the place, coz I accidentally burned it down last night, and dad's got a strange look on his face! But I know he'll cheer up, Santa, if you bring heaps of presents real quick, and I wish you a Merry Christmas too, Santa! From your bestest, favourite little boy, Mick.

A man is driving down a country road, when he spots a farmer standing in the middle of a huge field of grass. He pulls the car over to the side of the road and notices that the farmer is just standing there, doing nothing, looking at nothing.

The man gets out of the car, walks all the way out to the farmer and asks him, "Ah excuse me mister, but what are you doing?"

The farmer replies, "I'm trying to win a Nobel Prize."

"How?" asks the man, puzzled.

"Well, I heard they give the Nobel Prize . . . to people who are out standing in their field."
