Champion Cow Numurkah Feature Show @ 3 Years of Age

*Merry Christmas to all
From Anthony & Judy Higgins*

Glenvillan

We strongly believe in strong cow families. In 1960 Dad purchased a springing 2 year old heifer Trecarne Rosebud 10. She was a great cow for us having won her class at the Ekka. Show won Champion cow at Wondai on four occasions and Reserve Champion once. She started a top family that fifty years later is still going strong. Glenvillan Spotted Rosebud (pictured) is proof of that, winning Junenile Champion in Queensland's On Farm Challenge. She is by Glenvillan Pedro who is out of Glenvillan Princess Love who is in turn out of Glenvillan Duke's Love another of our top families.

Glenvillan Dora (pictured) also comes from a top family, being a direct descendant of Glenvillan Golden Mist who was third in the Championship line up at Brisbane on two occasions. Dora won 3-4 in milk in Queensland's On Farm Challenge 2011. She is by Beledene Duke's Laird and out of Glenvillan's Duke's Dawn.

Presidents Message

Hello Fellow Jersey Members,

As I write report, it is raining here in sunny Queensland. It seems to be another wet start to the Summer season. Let's hope not quite as wet as last year. And it seems the years are getting shorter.

We look forward to another big year in shows. Kicking off with the Kingaroy Feature show in early May.

We have had tow very successful On Farm Challenges this year. One in Queensland, with record entries and the other in Victoria. These days are a huge success and can only get bigger and better, and cannot continue without the support of our members. I would like to thank the members and breeders who attend these day and also their effort in supporting Feature shows and local shows. Also I would like to thank the sponsors for their support of these days, without sponsorship of these events, they would not be a success.

I would like to thank the breeders for the classifications that were done throughout the year. Also to the members that give their time to do these classifications, they travel many miles to do this.

We had five Life memberships given out recently, to members that have dedicated their time and services over the years to the Jersey breed. These members attend shows, meetings, field days, functions etc., to promote our breed. Congratulations to the following members, Harry Adams, Wally Wines, Gladys Hewson, Ron and Marg Wilson.

I would like to take this opportunity on behalf of the committee and myself, to wish you all a very Merry Christmas and Safe and Happy New Year.

Warren Davis

Thanks for the opportunity to judge the Victorian On Farm Challenge 2011. It was indeed a pleasure to see so many top cows. The 5 & over class was a really strong class. The winner of this class showed typical jersey quality and angularity, very clean boned and carried an excellent attached udder both front and rear with teats well positioned. She was well balanced throughout and was a well deserved Champion cow. The winner of the next class was very similar and matched her well to be Reserve Champion (two really top cows).

Junior and Reserve Heifers both had well attached heifer udders that I am sure will last a long time. It will be interesting to see them mature out as I am sure they will.

It was a pleasure to judge this event. It also gave Desiree and me a chance to catch up with our two boys, their wives and our four special granddaughters.

A special thank you to Harry and Sandra Adams for being the perfect hosts and chauffeurs.

SUNSHINE FARM JERSEY'S

715 Andrews Road, Kyabram, Victoria, 3620

I would like to thank you for the opportunity to judge your on farm challenge 2011.

A big thank you to Trevor Beckingham for his services. It was a pleasure to travel around with him.

It was a delight to see so many great Jersey cows. The 5 years and over class was fantastic. I would love to see them all together in a show ring. Their udders were a delight to see. Ten of the best cows from this class so there were a lot of really good cows who did not get in the first three. The cattle all looked well and had plenty of milk on them which made my job a lot easier as well as a pleasure. I thought all place getters were of a high standard. A lot of decisions were very close.

So thanks again and I hope your presentation day and Christmas party goes well.

I would like to wish everyone a merry Christmas and all the best for the new year.

Yours sincerely

Neville McDonald

Hi Everyone

What a year it has been for us. Not many show for us this year, as we welcomed our baby girl Matilda Audrey May in April. She has kept us very busy!

The major shows we attended this year we did quite well in. Rockton Laird's Emerald received Champion Juvenile at our Queensland Feature Show which was held in Ipswich. This cow also received Junior Champion at the Queensland Dairy Showcase.

Rockton's Rocky Faithful received Champion Juvenile at the Queensland Dairy Showcase.

Rockton Velvet's Connection received Honorable mention at the Queensland Feature Show in Ipswich and 3rd in the On Farm Challenge.

Rockton Velvet's Connection and Rockton's Rocky Faithful are both by the same sire which is Walkah Rocky Connection and they both go back to Glenvillan Velvet's Fay which has been a great line for us.

We would like to thank all this years sponsors who have helped us out in our Queensland and Victoria Shows. Without them, we would no be able to have successful show like we do.

We wish everyone a Very Merry Christmas and a safe and Happy New Year!

Stay safe

Well Done Russell

Russell Higgins recently attended the TRI STATE GAMES held in Mt. Barker, South Australia on the 5th to 12th November 2011. Numurkah Novas had 3 teams consisting of 21 clients and 5 staff to supervise.

Accommodation, meals and entertainment were provided in the fees. Sporting activities were held in different locations. Ball games in Little Hampton, Swimming at Murray Bridge while indoor sports were at Mt. Baker Recreation Centre.

Russell participated in T Ball, Basketball—Shooting Goals, Swimming and Football Kicking. He came home with 1 Gold and two Bronze medals.

Finley High School

Finley High School has had a very successful 2011. We start the year with International Dairy Week. Only half dozen kids attend this show as it is in the school holidays. We attend most smaller shows within Northern Victoria. A couple of the students have left school this year to take up employment, both Brian and I wish them every success.

A couple of high lights this year were Cow Bank gave us a generous donation to buy a heifer that the school will own, the kids are very excited about that.

Finley High School dairy team were asked to help prepare the cows and calves for Peter and Robeta Ibbotts sale, we all spent the weekend before the sale washing and clipping and helping where we could. The day of the sale they helped parade the cows. The great thrill was that one of our girls, Meghan Campbell was going to bid on a heifer that she had had in at school since the heifer was about six months old, she had sold one of her horses to be able to at least be in with a chance, this particular heifer she won reserve junior champion at Royal Melbourne Show in 2009. The team went wild when she was the winning bid!!! Roberta and Peter shocked us all by buying a little heifer in the sale and donating her to the Finley High School dairy team, this little girl will be very spoilt and much loved by all the kids. We are very proud to own her and very grateful to Roberta.

The school year is coming to a close and we are already thinking about next year.

We wish everyone a safe and happy Christmas and a bright and busy new year.
